Relevant Work Experience

Non-profit Company

Universal Life and Hope Center: Mar. 2021 — Present

ST ● Currently as the Graphic designer and digital media associate for ULHC. They require graphics for various platforms, assets and events.

A ● I create graphics and adhere to brand formats and outlines. Engaging the target audience for the organization to reach potential clients and sponsors.

R ● The organization is growing in support and obtained \$5000 in funds from new sponsors. The social media accounts increased 20%.

Client

Fairy P logo project: Sep. 2020 — Oct. 2020

ST ● The client was in need of a logo to use for the branding of their online business and social media. I was tasked to create a logo using a reference from a personal drawing.

A ● I designed a personal brand to represent the client's personality and ideals with a mascot vector logo. I generated the brand color scheme and font as well.

R ● I attracted more customers to the client's business and social media, it increased 40% ; drawn to the client by the brand's unique and authentic style.

Client

West Palm Management group logo: Sep. 2019 — Oct. 2019

ST ● A client was in need of a logo for their new real estate management business, started in west palm beach, FL. I was tasked to create an appropriate logo mark.

A ● I learned about consumer interests and dislikes in the real estate industry. I created a minimalist home styled logo for the company, after multiple iterations.

R ● The client was satisfied with their mark and they successfully attained prosperous real estate clients in NY and Chicago: amounted to over \$100,000.
