I am a self-motivated and creative problem solver. I love the details and process as much as the result. I am always creating for the love of expression and improvement. I understand the business aspect of design and the tools to attract the attention of an audience. Strategy, adaptability, and passion allow me to always strive for the greatest marketing and design solution with a team or on individual campaigns. Always learning and improving.

WORK EXPERIENCE

Digital Media Associate (Remote). Universal Life and Hope Center.

03/2021 - Present Coral Springs.
A health and wellness center that offers classes such as yoga and reiki. Currently fundraising to build a homeless shelter and tackle homeless issues.

Achievements/Tasks.

- Create graphics and adhere to the brand guidelines for assets such as brochures and event flyers.
- Create graphics for the social media platforms as well as @ulhc_onesness.
- Reach potential clients and sponsors to support their charitable goals through marketing.

Contact : Allison

Web Designer (Intern). The Soko-Marketplace.

06/2020 - 12/2020 Orlando.
A non-profit organization that runs a weekly vender market in Winter park Florida for local sellers. They hold events with food and live performers.

Achievements/Tasks.

- A small intern team was tasked to build an online marketplace with multiple vendors on the WordPress platform.
- The site was modeled after the brand and the physical African marketplace held every Saturday at the New England park in Winter Park Florida.
