- GIT  85%
- HTML  90%
- CSS  80%
- JavaScript  50%
- Graphic Design  80%
- Slack  80%

### Soft Skills

- Organization  98%
- Resourceful learner  80%
- Time management  80%

### Relevant Work Experience

#### Fairy P logo project (September 2020)

Practiced effective communication between client to bring ideas to life. Created a personal brand identity to showcase personality with vector graphics

#### Paws for Orlando Style guide (March 2020)

Worked on a team and collaborated with other designers to decide on colors and brand identity. I designed the layout for the guide and logos.

#### West Palm Management group logo (September 2019)

Presented media to interested and established clientele. Responded to inquiries about content and learned about customer interests and dislikes. Kept up communication with owner and made multiple iterations of design until it was satisfactory for their new identity.
